the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems in the UK is estimated to be 10% (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems in the workplace. The Department of Health (2000) has published a strategy for mental health care in the UK, which includes a commitment to 'improve the lives of people with mental health problems in the workplace'. The strategy also states that 'the workplace should be a place where people with mental health problems can thrive and contribute to society'.

Nineteen Hundred Eighty-Four A Milestone Is Attained

This edition of the INGOT is dedicated to a special group of students, the Senior Class of 1984. The graduation of this class represents a milestone in the history of Hobart Township Schools. Although 1983 saw the Silver Anniversary of River Forest Junior-Senior High School,

the Class of 1984 has the distinction of being the 25th graduating class.

The people pictured on the pages to follow represent 25 years of involvement, development, and most importantly, educational advance in Hobart Township.

57 COUPLES ATTEND TURNABOUT

The Turnabout Dance was held February 11 in the Ingot Room. The room was appropriately decorated with valentine hearts and unicorns. The theme was "All Night Long" and the music was supplied by Devotion who played a variety of top 40 hits.

Couples danced to the beat of such songs as Jeffrey Osborn's "All The Wings of Love" to Michael Jackson's "Beat It" and "Billie Jean" and Lionel Richie's "All Night Long".

Clockwise from top on page 4: Gilbert Vallejo and David Verduzco along with their dates enjoy refreshments. Mike Uhles and Delores Tellez cuddle during a slow song. John Page and Melissa Cecil sit out a dance. Mr. Brown and Mrs. Tallman chaperone. Clockwise from left: Becky Cook and Carl Chambers seem to be enjoying the company of Michelle Duffee and Mike Bartolini. Anthony Hill and Christal Campbell enjoy a moment together. Margo Dowd and Jimmy Funes share an intimate moment. William Ramos and Norma Schumacher enjoy a break while John Gaydos and Louise Baltrushaitis share a dance.

J.H. Students Display Royalty At King And Queen Dance

The Junior High King and Queen Dance was held on Friday, February 10 from 6:30 to 8:30 p.m. It has become a traditional event for the junior high, given by the Student Council and Miss Kubiak, Student Council sponsor. Four couples are nominated from each grade. All junior high students then cast ballots in class for the candidates of their choice. The winners of the voting are announced at the dance. Jeff Muha and Donna Collins were crowned 7th grade King and Queen, and Tim Armes and Tina Bartley were crowned 8th grade King and Queen. Below: The 8th grade court included Tim Armes, Tina

Bartley, Dwayne Wilson, Carmen Tellez, Phillip Guzman, Glossie Gilbert, Ron Calvert, and Paulette Paradine. Bottom left: Taking a break from dancing are Bernadette Arceo, Julyssa Berrios, Christina Ast, Paulette Paradine, Shelly Marcrom, and Alethea Hinshaw. Opposite page, clockwise from left: Luke Rios, Jason Carter, Doug Funes, and Leslie Fischer flash their threads. Bottom right: Steve Manns struts his stuff. Donna Collins is crowned 7th grade Queen. Dwayne Wilson and Carmen Tellez share a quiet moment. David Gonzalez, Steve Manns, and Rick Sult look for support from each other.

Prom Was Heaven Brought To Earth

May 12th at the Assumption Hall was the scene of a most festive event, the Junior-Senior Prom. Art Guel and Lydia Bristol were crowned King and Queen for the first crowning in several years. Couples enjoyed the music of Midwest Express and a special appearance by Ricky Vallejo, singing tunes by Elvis Presley. The tables were decorated with stars and balloons to help carry the theme "Stairway to the Stars." The refreshments served were tuna sandwiches, cookies and punch. Keepsakes for the couples were glasses, napkins and a booklet.

Pictures were taken by Spasoff photography. This page clockwise: Paula Christakis and Rodney Thompson enjoy each others company. Art Guel and Lydia Bristol are crowned King and Queen. Greg Viator and his date share a moment. Next page clockwise from top: Ricky Vallejo entertains the audience with an Elvis impression. Richie Tellez and Judy Cruz share an intimate moment. Donna Hampton and Dave Verduzco embrace during a slow dance. Tim Craigin and Lori Alderson relax between dances. The couples dance to the music.

Wassail

A Medieval Christmas Dinner

The Wassail, a program of medieval Christmas traditions, was presented by the choral department under the direction of Mr. Brown. The dinner has been held annually for more than a decade. Each presentation of the Wassail seems to outshine the previous performance bringing new dances, new costumes, and revived stories of the days of chivalry. The Wassail has evolved into more than just a dinner complimented by song and dance. It is an awaited event in the community. It is the one event which truly gives meaning to the words "Merry Christmas". This page, clockwise from left: D. Morton and D. Barnes lead the dancers in a medieval dance. G.

Vallejo lights one of a hundred candles which adorn the Christmas tree. P. Christakis entertained guests during dinner with her flute. M. Carter, S. Groover, N. Schumacher, and M. Ondo wait patiently while their guests finish their dinner. Opposite page, clockwise from top: Elaborate costumes and props add to the production of the Wassail. Mr. Brown uses care in serving the enormous array of luscious desserts. The wenches treat the guests to a song. Alumnus G. Reed returned to do a juggling act. A. Wright and R. Vallejo perform banner waving. W. Frank and L. Lawson bring the dessert course. V. Baker demonstrates a magic rope trick to Mr. Tallman.

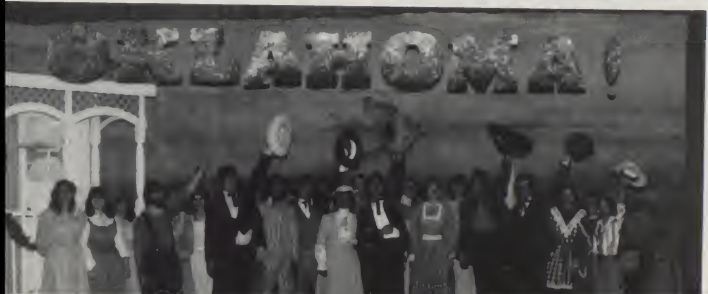

Oklahoma!

The Choral Department presented the musical "OKLAHOMA" which ran for seven nights and one matinee. The cast was plagued with many mishaps. The original "Laurey" had to be admitted to the hospital and had to give her part up. Rick "Curly" Vallejo also had to be admitted to the hospital. He was able to keep his part, but missed a number of important practices. Kelly "Ado Annie" McKinney suffered sickness and was unable to attend many practices. In spite of the mishaps, the play had a successful run. Clockwise from top, page 12: Rick "Curly" Vallejo tries to convince Robert "Judd" Wait not to

take Laurey to the dance. Carla "Aunt Eller" Rael and Leticia "Laurey" Alatorre listen as Rick Vallejo sings about the surrey. Carla Rael looks at Gilbert "Ali" Vallejo's merchandise. Don "Will" Pavy shows Larry "Ike" Pearson the new dance. Clockwise from top, page 13: Rick Vallejo serenades a dreamy eyed Leticia Alatorre. Gilbert Vallejo is persuaded to marry Albert "Andrew" Wright's daughter. Darla "Gertie" Morton talks Rick Vallejo into helping him water the horses. The "OKLAHOMA" cast gives their curtain call. The girls gather for the box social.

The Mock Wedding Becomes Tradition For Family Living

The fifth consecutive Mock Wedding was held in the Ingot Room on Wednesday, December 7th at 6:30 p.m. Unlike past weddings which were officiated by local ministers, senior Jimmy Dailley performed the ceremonial rites.

The wedding was a project of the Family Living class. Each student was assigned certain aspects of the wedding preparation for which to be responsible. The majority of the student's grade was based upon a required wedding notebook.

The process of being chosen for the wedding was different than in previous years. Each person who wanted to be in the wedding placed his name in a hat. Mrs. Wilson then withdrew names for the various positions available.

Bridal Boutique, King Tux and Stephans donated dresses and tuxedos. Gerties Florist donated

the flowers for the wedding. Two of the dresses from Bridal Boutique were donated to the school.

The reception was held in the Ingot Room immediately after the wedding. Ricky Vallejo brought his stereo and acted as D.J. The students brought food and refreshments for the reception. Sloppy joes, deviled eggs, homemade tomas, taco salad and potatoe salad were some of the dishes. Students could attend the reception by invitation only. Each Family Living student was allowed to invite one quest. Above: The wedding party included Michaelene Burton, Dave Bruns, Betty Osborne, Groom Ricky Vallejo and Bride Lydia Flores, Groom Jeff Freeman and Bride Tina Lunghofer, Frank Spear, Michelle Duffee, Ken Collmar and Mary Self.

SENIOR CLASS POEM

by

STEPHANIE NELSON

As the long awaited moment of
our lives approaches,
We find ourselves greeting each
new day with mixed feelings.
Elation and fear of the dawn of a
new life as adults,
Emptiness at thoughts of leaving
old friends behind,
And hope for all the tomorrows to
come.

We will use that hope to achieve
our goals
And strive to be the best we can
be.
We pray that we have learned
from our mistakes
And, with God's blessing, will be
contented with what life has
to offer.

R.F. Graduates Ninety-Five Seniors

Graduation was held May 21, 1984 in the high school auditorium. The class of 1984 was the smallest in the history of River Forest, with 95 graduating seniors. Suzanne Reed was valedictorian and Louise Baltrushaitis was salutatorian. A speech was given by both to their class. Reverend Richard Orlinski was the Baccalaureate Speaker. The choir sang, "Like an Eagle" and "I've Got the Music In Me." The band played "Flashdance ... What a Feeling" with senior

members performing for the last time. Opposite page, clockwise from top: Suzanne Reed and Louise Baltrushaitis deliver their speeches to the audience. Frank Spear steps down to receive his rose. Jimmy Dailey and Bill Harding smile with their diplomas. This page, clockwise from top: Eric Riise and Ron Beverly perform for the last time. Seniors listen to the speeches. Mr. Tallman bids farewell to the graduates. The girls wait in line for their diplomas.

English Department Pilots New Program To Write K-12 Curriculum

1984 was a busy year for the English Department. Not only did the department have to adopt new text books, but it also was selected to pilot a program to write a system wide k-12 curriculum. Work for the department began in early September and continued through the end of May. This year also saw the addition of a 7th teacher. Former guidance counselor, Mrs. Sandra Hurey

joined the English Department this year as a full time instructor. Bottom, clockwise: An English class finds humor in an author's remarks. Stephanie Nelson delivers a speech. Mrs. Keller explains a lesson to one of her sophomore classes. Top, next page: Mr. Garcia's class studies diligently. Bobby Spencer is engrossed in Huckleberry Finn.

The Mathematics Department Expands Curriculum To Meet The New Challenges Of The Computer Age

In the '83-'84 school year, the Math Department geared itself to meet the challenge of the computer age. With the computer becoming a way of life in business, industry, and the market place, it was necessary for students to be trained in its use. Two important changes took place to help meet this need. A three week computer literacy unit became a requirement for the seventh and eighth grades, and a computer programming

class was introduced for high school students. Page 74, clockwise from top: Mr. Reygaert teaches his students trigonometry. Darren Bryant copies off the board. Connie Garbe works on math skills. Michelle Bryant finishes her homework. Page 75, clockwise from top: Seniors utilize their computer skills. Jennifer Carter and Cathy Evans work on a computer program. Experimenting And Learning New Things — Wondering What Latest Science Can Bring

A variety of classes was offered for the high school students in Science. Among these were General Science, Biology I and II, Conservation, Chemistry, and Physics. Classes for the Junior high students included Science 7 and 8. Mr. Marszalek was added to the Science Department teaching roster. This page, clockwise from left:

Exposure To Well Rounded Curriculum Is The Key For Successful Physical Education Program

The Physical Education Department exposes students to a well rounded program designed to keep them physically active long after graduation. In team aspects the department offers sports such as soccer, volleyball, football, basketball, and softball. For those more interested in poise and grace, along with strength, there are aerobics, gymnastics, tumbling, and folk and square dancing. For students who excel in an individual activity there is the challenge of archery, self-defense, badminton, wrestling, track

and field, and tennis.

Page 78 left to right: Mr. Hook's class listens attentively to his lecture. Lisa Remus practices her routine. Mike Burton and Bill Wilkie workout on the universal weight machine. Amy Lavrick and Don Phelps square dance. Page 79 left to right: John DeMoss, Joe Henson, Mike Page, and Troy Quick relax on the balance beam. Home Economics Joins In Art Fair Competition With Industrial Arts; Foreign Language Whets Appetite

Becoming involved in the Art Fair was one of the highlights of the Home Ec. classes this year. The classes supplied both food and clothing for their display. The Family Living class organized a nursery school to which they invited children from ages 1-5 to spend afternoons. To brighten the year, the Spanish and French classes took a fieldtrip to Cassablanca Restaurant to whet their palates to Spanish cuisine. Page 81 clockwise

History Is The Study Of Events That Die, Memorable Moments Of The Days Gone By

The Social Studies Department was quite active this year. Many field trips were taken by the history and government classes. The STP students went to the career center, Chicago, the Dunes, and many other places; the history and government classes went to the annual Law Day at the County Complex in Crown Point. A new activity tried by the government classes was holding their own elections. They used our computer facility to tally the votes.

Drawing, Singing, Performing Too — All Of These Are Fun To Do

All areas of the Fine Arts Department had a very active year. The Choral Department performed Oklahoma for seven nights, and one matinee. The Instrumental Department held their Jazz Fest and performed at several concerts including the Southlake Mall. The art classes had a combined Art Fair with Home Ec.

and Industrial Arts. The classes also attended the Art Institute in Chicago. Below left: Mrs. Georgian uses the color wheel to instruct. Below right: Ken Wood, Lee Ann Petroff and Richie Tellez take a break during practice. Bottom: Robert Johnston and Robert Perez use water colors to paint.

Students Represent School In State Competition As Industrial Arts Strives For Quality Craftmanship.

The Industrial Education Department which strived for quality craftsmanship during the 1983-84 school year, had several opportunities to display the handicrafts of their students. The industrial arts students competed in various local contests and fairs and a number of students represented the school in a state project contest in Nashville, Indiana. Also, for the first time, the industrial arts students joined with art and Home-Ec students in a combined project fair

held in the junior high multipurpose room. Below left: E.J. fixes his error. Below right: Jim Graham receives instructions from Mr. Klarer on the lathe. Reading Programs And Punching Keys — Could Somebody Help Me . . . Please

The Business Department offered a variety of courses including Typing I-II, Shorthand I-II, Accounting I-II, Business Machines, General Business, and Business Math/Recordkeeping. This wide variety of offerings gave students a choice of acquiring either a basic business background or a development of skills for entry-level jobs.

Jr. High Has Mixed Season

The eighth grade team finished their season 3-2. This was the second consecutive winning season for the Ingots. Eighth grade Coach Rosner said that the winning season was a direct result of a total team effort.

The seventh grade team finished 0-3. Seventh grade Coach Hess said offensively he had three standouts, Rick Sult, Jeff Muha, and Pete Otero. Although the team finished winless, said Coach

Hess, the entire team showed great improvement and promise by the season's end.

Ingots Succeed Over Whiting 60-51

The varsity basketball team's regular season ended with a 7-13 record. Coach McDaniel said that he was very pleased with his players' performances. One highlight the Ingots will always remember is when the Ingots beat Whiting for their homecoming game, 60-51. C. Trezak forward for the Ingots, was named Mr. Basketball. Chris averaged 11.8 points and 4 rebounds per game.

This game meant the most to seniors M. Bartolini, C. Trezak, R. Tellez and R. Sizemore since it was their last time preforming at home, said Coach McDaniel.

He added that sophomore B. Collett showed his talent by grabbing a game high of 9 re-

bounds. P. Mills led the team in scoring with 17. C. Trezak and R. Tellez also scored in double figures, 15-14.

Rick Sizemore led with 10 assists. One hindrance to the squad, said Coach McDaniel, was senior M. Bartolini's injury. He broke his wrist near the season's end and was unable to play out the season, said McDaniel. Clockwise from top page 112: Varsity boys basketball team. B. Collett makes a good shot. P. J.V. Basketball Has Mixed Season

The J.V. basketball team won four of their last five games to end the season with a record of 6-12.

Danny Lewis and Jay Shelton led the team in total scoring with 161 and 153 points respectively. Tommy Mitchell led the team in freethrows by hitting 75% from the line. Mike Uhles, who averaged 13.5 points per game, was the only player to achieve a double figure average. Sam Romeo led the team in assists with 27.

Girls Varsity Has Winless Season; J.V. Suffers From Inexperience

The girls varsity finished with a disappointing 0-16 season, including a first round sectional loss to the state champion, Crown Point. The team was young with little experience. No seniors and only 2 juniors were on the squad's roster. The remainder of the players were sophomores and freshmen. Vicky Baker provided the team with leadership, said Coach Hess. She was named most valuable player. Freshman, Shellie Groover, who played varsity and junior varsity was named most improved, said Coach Hess.

The junior varsity won four of its first seven games and finished 4-11. The team was extremely young and suffered from inexperience also, said Coach Hess. Carmella Guel, a freshman guard, made the sectional roster after a fine year with the junior varsity team, said Hess. Page 116, below: Varsity team picture. Jr. High Girls Learn Fundamentals

The junior high girls basketball season ended with the 8th grade having a record of 2-6 and the 7th grade having a record of 1-6. The girls were plagued with several injuries and eligibility problems. Coach Kirsits started the season with 15 girls and ended with only 9 and seventh grade Coach Georgion began with 28 girls and ended with less than 10. The girls who remained out spent the season building fundamentals, said the

coaches.

Even With Losing Seasons Teams Show Some Promise

Although the seventh grade team finished their season 1-13, Coach Rosner said that the players never gave up and showed much improvement of which they can all be proud.

The eighth grade team finished their season 3-11. Coach Whiting said the players worked very hard and showed a lot of potential. Coach Whiting also said that the team had problems with freethrow shooting and that the team was inexperienced having only seven out of thirteen

players returning from the year before. Angel Cruz lead the team with an average of 11.8 points per game. He also excelled in passing and rebounding ability. Rich Fasel showed great potential toward the end of the season, said Coach Whiting, who added that he got better as he got more confidence.

The freshmen team finished their season with a 0-15 record.

Lifters Added To Squad

The varsity cheerleading squad added something new this year, male cheerleaders. This is a first for River Forest. The guys enabled the girls to do many more partner stunts and mounts. They practiced twice a week to get things per-

fectured for Friday night games. Practice also paid off for the eighth grade squad. They received the spirit stick three out of the four days they were at camp. They also received three first place ribbons and two second place ribbons.

Varsity Wrestling Squad Breaks Two Records By End Of Season

The River Forest wrestling team finished their best season in three years with a record of 9-6. Phil Pfautz set two new records with his season record of 19-3 and with his total team points at 82. Out of six wrestlers who went to sectionals, five earned third place or better. Phil Pfautz and Anthony Hill took first. Ray Palmer and Steve Crum took second, and Greg Tenorio took third. Five wrestlers also earned regional berths, however, of the five only Greg Tenorio earned any honor by taking forth place. Another highlight for the grapplers was their defeat of

Lake Station. This was the first time in five years that the varsity squad defeated the Eagles. The Jr. High wrestling team's record ended 1-2. This was also the first year for morning practices. Morning practice was held to avoid conflict with the J.V. and Varsity practices.

Freshmen Players Dominate JV; Varsity Hampered By Young Team

The varsity volleyball team ended their season 2-18. According to Coach Rieck the team was young and inexperienced. Only three seniors, Lydia Bristol, Lee Ann Petroff and Darla Morton played varsity. The Washington Twp. Tourney was the highlight of the season. Although the Ingots lost two in close matches, Coach Rieck said the team played their best ever.

The J.V. team ended their season 1-19. Coach Rieck said that this team had the largest fresh-

men roster since she started coaching. Freshmen players composed approximately fifty percent of the J.V. squad.

Eighth Grade Improves With Play; Seventh Grade Shows Promise

According to Coach Hilla, the eighth grade squad had a disappointing season. Several matches that should have been won were lost. However, said Coach Hilla, the girls did show improvement with each game that they played. The seventh grade team had a fair season winning a number of matches and losing a few close ones, said Coach Hilla, who added that the seventh grade squad showed promise for seasons to

come.

Lack Of Fifth Runner Hurts Team

The Cross Country team ended their season with a 4-10 record. "The team didn't have a good season because of the lack of a fifth runner," said Coach Burlison. He also said, "three or four runners ran in fifth position throughout the year because nobody was aggressive enough to take the fifth position." He added that it was not that the students didn't try, it's just that the runners had limited potential, and that the team had a lack of depth.

Burlison said that next year the team should

be good because they will not lose many runners.

"If our runners return and if we pick up some freshmen, we'll be o.k." he said.

Tennis Has The Best Season Ever

The River Forest varsity tennis team ended their season 5-10, their best record in five years. The team's highlight came when they defeated E.C. Washington 5-0. "This is the first time the tennis team defeated E.C. Washington," said Coach Oury. After losing to Crown Point 5-0, and Calumet 4-1, the Ingots won their next four matches.

R.F. shut out both Gary Roosevelt and Hanover Central and then defeated Lowell 3-2 and M.C. Marquette 4-1.

The team suffered four straight shut outs in their next matches against Hobart, Edison, Portage, and Highland in the sectionals.

Coach Oury said that the team finished the best that they could and won every match that they possibly could have won.

The team was considerably larger this year than in the past. The 13 member squad consisted of three seniors, four juniors, one sophomore, and five freshmen. The team also had the largest turnout ever for girls with six on the squad.

New Records Are Set For Girls And Boys Track Teams

The boys varsity track team finished their season with a 4-6 record. Victor Figueroa set two school records — one in the long jump with a distance of 21'1" and the other in the 100 meter dash with a 11.24 time. J. Perez, J. Collins, R. Beverly and V. Figueroa tied the school record in the 400 meter relay.

The girls track team also experienced two

new school records. Becky Cook established a new time (16.55 sec.) in the 100 meter dash and Patty Cotton set both a school and meet record in the 200 meter dash with a time of 28 seconds. Varsity Loses In Sectional Finals; J.V. Gains Needed Experience

The varsity team ended their season with a record of 8-12, which included a loss to Portage in the final round of the sectionals. They defeated Washington Twp. 14-1 in the first round. This was the second straight year the varsity made it to the finals. Chris Trezak was the leading hitter and led the team with 5 homeruns.

A Note Of Thanks

Although each year of production brings new challenges, this year the yearbook staff encountered more than their "fair share." They have the distinction, for example, of not only being the youngest and most inexperienced staff thus far, but also of being the only staff to complete a production without the services of fulltime photographer. My special thanks is extended to a deserving class.

Sincerely,
Mr. Muir

Table 1. Mean (SD) age, height, weight, and body mass index (BMI) of the 100 children in the study

Measure	Mean (SD)
Age (years)	10.4 (0.5)
Height (cm)	145.2 (10.1)
Weight (kg)	38.5 (10.2)
BMI (kg m ⁻²)	18.6 (3.2)

children were asked to perform a series of 10 trials of the 100-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 100-m sprint, the children were asked to perform a series of 10 trials of the 200-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 200-m sprint, the children were asked to perform a series of 10 trials of the 400-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 400-m sprint, the children were asked to perform a series of 10 trials of the 800-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 800-m sprint, the children were asked to perform a series of 10 trials of the 1600-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 1600-m sprint, the children were asked to perform a series of 10 trials of the 3200-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 3200-m sprint, the children were asked to perform a series of 10 trials of the 6400-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 6400-m sprint, the children were asked to perform a series of 10 trials of the 12800-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 12800-m sprint, the children were asked to perform a series of 10 trials of the 25600-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 25600-m sprint, the children were asked to perform a series of 10 trials of the 51200-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 51200-m sprint, the children were asked to perform a series of 10 trials of the 102400-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 102400-m sprint, the children were asked to perform a series of 10 trials of the 204800-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 204800-m sprint, the children were asked to perform a series of 10 trials of the 409600-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

After the 409600-m sprint, the children were asked to perform a series of 10 trials of the 819200-m sprint. The first trial was a practice trial and the remaining nine trials were recorded. The mean of the last nine trials was used for analysis.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office of National Statistics 2000). The number of people aged 65 and over is projected to increase to 15.5 million by 2020, and the number of people aged 75 and over to 8.5 million (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for ageing, which sets out the government's commitment to improve the lives of older people. The strategy is based on the following principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.
